## LANDSCAPE AWARDS

Celebrating excellence  
in the green industry

Vol: 38 No:3 Mar 2015

THE OFFICIAL PUBLICATION OF THE MINNESOTA NURSERY & LANDSCAPE ASSOCIATION

---

2015 MNLA

# LANDSCAPE AWARD WINNERS

Several members of the Minnesota Nursery and Landscape Association (MNLA) were recently honored with the 2015 MNLA Award for Excellence in Landscape. 20 projects received awards, and you can view all submitted photos and read the project descriptions by visiting the project gallery at <http://www.mnla.biz/?page=2015Gallery>. Congratulations to the companies and personnel behind these projects!

---

# 2015 MNLA LANDSCAPE AWARD WINNERS

All winning projects were displayed during the Northern Green Expo and recognized at the MNLA Awards Gala. A video showing five photos from each project and judges' comments is online at <http://youtu.be/PyA9woYWiAY>. All winners receive the posters shown at Expo and many other marketing assets as well. MNLA creates a photobook, a video and a plaque for each award given, plus delivers a linkable project page in our gallery, a sample press release, a winner's crest, guidelines for pitching projects to local home magazines, and tips for marketing your award to other media.

## DID YOU KNOW?

Entries are NOT judged against each other. In any given year, ALL entries could win awards, or NO entries could win an award. Each entry is judged against the standards of excellence. Judges must decide whether an entry, in their opinion, meets or even exceeds those standards.

**Firm:** Charles Seha Design
